

Round Lake Family Dentistry Expands Comprehensive Dental Services for Families in Lake County

Round Lake Family Dentistry offers complete dental services—from preventive and cosmetic care to same-day restorations—bringing comfort and convenience to patients in Round Lake, IL, and surrounding Lake County areas.

Round Lake Beach, Illinois Jan 29, 2026 ([IssueWire.com](http://www.IssueWire.com)) - Round Lake Family Dentistry proudly provides an all-inclusive range of dental services tailored to the needs of families in Round Lake, Fox Lake, Volo, Lake Villa, and nearby communities. With Dr. Kalpit Shah, Dr. Lucy Shah, and their

dedicated team, the practice blends advanced technology with compassionate care to make dental visits comfortable and efficient.

Comprehensive Dental Services

Preventive Care: Routine checkups, cleanings, fluoride treatments, and oral cancer screenings help families maintain strong oral health. According to the CDC, nearly 65% of adults in the U.S. had a dental visit in the past year, showing the importance of preventive care.

Cosmetic Dentistry: Services such as teeth whitening, veneers, and smile makeovers are designed to enhance confidence and create naturally beautiful smiles.

Restorative Dentistry: For patients dealing with cavities, damaged teeth, or tooth loss, the practice provides fillings, crowns, bridges, and dental implants. With 1 in 4 U.S. adults aged 20–44 living with untreated cavities (CDC), timely restorative care is critical.

Cerec Same-Day Dentistry: Patients can receive high-quality crowns in a single appointment, reducing time and ensuring convenience for busy families.

Children’s Dentistry: Gentle care for kids ensures they build positive dental habits early. In fact, about 86.9% of U.S. children ages 2–17 visited a dentist in the past year, highlighting the importance of pediatric dental visits.

Emergency Dental Care: Recognizing that emergencies can happen anytime, same-day appointments are available to relieve pain and address urgent concerns quickly.
