

Sadboi J Rises as Tennessee's New Voice in Emotional Rap

Sadboi J Drops Hard-Hitting Single "DONTMESSWITHME" – A Confident Statement in the Independent Rap Scene

Collierville, Tennessee Aug 7, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Up-and-coming SoundCloud artist *Sadboi J* has released his boldest track yet, "*DONTMESSWITHME*" (*prod. Savel*), delivering unapologetic energy over a sharp, driving beat. Entirely mixed and mastered by the artist himself, the song is a testament to his growing skill as both a rapper and producer.

Drawing on influences from the Memphis rap scene and his own personal experiences, Sadboi J brings a balance of technical lyricism and emotional authenticity to his music. His lyrics carry a sense of confidence and defiance, backed by clean production and precise delivery.

“I want my songs to be a release—for me and for the people listening,” says Sadboi J. “This track is about standing your ground and not letting anyone shake your confidence.”

“DONTMESSWITHME” joins a growing list of standout releases from Sadboi J, including the heartfelt “Cold November” and lyrically sharp “Tyrant.” While still early in his career, his ability to independently produce music of this caliber has already begun to draw attention from listeners and peers in the underground rap community.

Fans can stream “DONTMESSWITHME” and the rest of his catalog exclusively on SoundCloud.
