

SAX IN THE CITY: Dee Lucas live in Lafayette! Presented by WJazzyStyle.net & Souled Out, w/ The Dave Mouton EXPerience

Lafayette, Louisiana Aug 17, 2025 (Issuewire.com) - Lafayette's jazz lovers are in for an unforgettable night of style, soul, and saxophone as WJazzyStyle.net and Souled Out Entertainment proudly present SAX IN THE CITY — a premier contemporary jazz concert event happening Sunday, October 12, 2025, at The Brass Room. Headlining the evening is Dee Lucas, a national recording artist and 3-time Billboard-charting saxophonist, celebrating 20 years of smooth jazz excellence with his latest album, *Twenty*. Known for hits like "Road Warrior", "Stay Strong", and "On the Verge", Lucas brings his signature melodic phrasing and genre-blending sound to the heart of Lafayette for the first time. Joining him are Louisiana's own The Dave Mouton EXPerience, a high-energy jazz-fusion collective led by saxophonist and Lafayette native Dave Mouton. Known for delivering powerhouse performances that blend jazz, soul, funk, and R&B, the EXPerience is the perfect complement to Lucas's sophisticated sound. "This is a night for true lovers of live music — smooth jazz meets southern soul in one of Lafayette's most intimate venues," says promoter Dee Comeaux of WJazzyStyle.net. "Whether you're a longtime jazz fan or just looking for a classy night out, SAX IN THE CITY will not disappoint."
