through YouTube are now able to purchase promotional services at a reduced price with the **Music Promotion Club**. The agency has come up with its **Moth End Sale** offer, which provides a big **discount of 10%** on the [YouTube Promotion Services](#). The sale is starting on **August 20** and it will stay active till **August 28**. The sale will empower all kinds of music artists who are looking forward to gaining more popularity through their music videos and establishing themselves in the competitive market. The sale is active for only a short duration, and the artists are encouraged to grab onto this opportunity before it is too late.

Being one of the leading promotional agencies, the **Music Promotion Club** is trusted by all kinds of artists as it can effectively increase the audience and fan base for the artists. The company utilizes the strategies of YouTube promotion, **content marketing**, and **social media marketing** to help all kinds of artists grow, whether a rapper, a singer, a music producer, or even a production label. The company has a huge network for YouTube promotion, and it is an **official Google partner**, which allows it to provide a maximum amount of exposure with credibility and authenticity. On the official website, the artists can easily design their promotional campaign bundle by choosing from the provided options.

The music artists are required to submit their links or URLs for their music videos along with their desired number of organic views and preferred region for promotion, which can be a particular nation or worldwide. With the help of a credible network, the company also provides effective views for the artists that stay with an impact and allows bringing more online engagement and web traffic to the channel. The agency has an in-house team of professional writers who can write dynamic content based on the music videos provided by the artists. They can get **paid press release distribution**, **music blogs**, **artist interviews**, and **artist reviews**, as well as a golden opportunity to get featured in a globally renowned **digital music magazine** that is published every month.

The Music Promotion Club can share the music videos to over **360K+ followers** on Facebook, Instagram, and other social media platforms, which helps to attract the maximum amount of organic audiences. The company provides sponsored promotion on Facebook and Instagram, which can offer minimum **3k to 12k reach** to relevant target audiences. The advanced promotional methods help to offer only real YouTube videos, which allow climbing up in the ladder of YouTube's algorithm while staying at the top of the search results. With the help of the latest Month-End Sale, music artists on YouTube are now able to purchase video promotion services at **10% off**, and this sale will be active from **August 20 to August 28 only**. Hurry up and visit the official website to secure the discounted promotional packages.
