

SharkStriker 3.0 launched with enhanced user experience and insights

SharkStriker 3.0 is designed to bring a transformative new experience to customers and partners, offering them an intuitive and easy-to-navigate space with the information and instantaneous support to address their queries and solve their challenges.

Dubai, United Arab Emirates Aug 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - Global cybersecurity services vendor, [SharkStriker](https://www.sharkstriker.com), has launched its newly designed and developed website www.sharkstriker.com.

It delivers a re-imagined new look with enhanced navigation and responsiveness with multiple tools for visitors to seamlessly discover its offerings, including its managed services and purpose-built platform, STRIEGO.

The revamp reflects its improved focus on delivering innovative customer and partner experiences. Visitors can easily access all the information about their managed services, its compliance management services, and their security platform, [STRIEGO](#).

It showcases how SharkStriker helps businesses bridge their cybersecurity and compliance gaps through its human-led tech-driven approach with valuable insights on our offerings and capabilities while raising awareness of the latest happenings in the cybersecurity world.

It serves as a vindication of SharkStriker's approach of not just offering services but also uplifting consumer awareness through informative guidance.

“We are thrilled to launch our new website! It is a big step in how we connect with our customers and partners, showing how we address their most immediate and persistent challenges through our human expertise and purpose-built platform. It shows how our team, technology, and approach harmoniously work toward helping organizations across industries achieve their cybersecurity and compliance goals. Every aspect of the website is tailored to cater to everyone looking for an answer to their questions in cybersecurity or compliance.” Ajay Nawani, CEO, SharkStriker.

The new website hosts a massive resource center loaded with SharkStriker’s customer success stories (case studies), blogs, and datasheets. It provides quick and easy support for their customers and partners to connect with them.

“The new website is a transformative move for our brand. It precisely showcases why we do what we do and how we are creating value for our customers, aligning with our brand messaging. It will serve as a bedrock of elevation for customer and partner experience and will be a starting point for chartering excellence in how we connect with our customers and partners.” Vinith Sengunthar, Head, Marketing.
