Baltimore, Maryland Aug 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - SHK Partners CEO Courtney Brewington Serves as Mistress of Ceremony at Youth Event in Prince George's County

SHK Partners proudly announces that its CEO, Courtney Brewington, served as MC for the Thrive Together Youth Empowerment Event, held on August 9, 2025, at the Glass Manor Community Center in

District 8 of Prince George's County.

Hosted by Thrive Together, the event brought youth and community members for a dynamic day of growth, learning, and empowerment. Brewington, a proud Prince George's County native, helped create an uplifting atmosphere that honored the voices and potential of young people. With energy and purpose, she navigated attendees through impactful conversations.

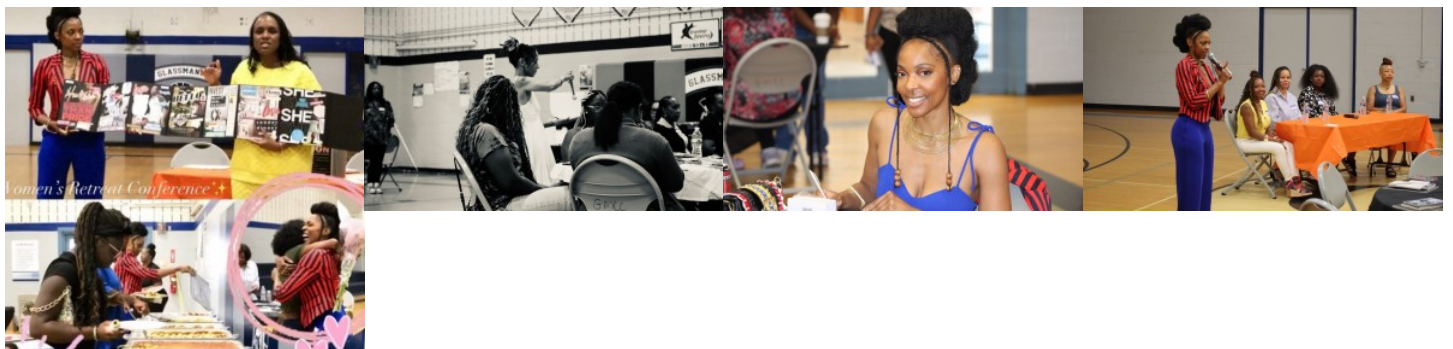

The event featured a distinguished panel of women experts who shared insights across a wide range of critical topics including financial literacy, healthy relationships, leadership development and spiritual wellness.

After a buffet style brunch, the youth were guided through breathing techniques for emotional regulation, and a planning and vision casting workshop. These themes reinforced the importance of holistic growth—mind, body, and spirit—and provided youth with tangible tools for course-plotting both their present and future.

“As someone who grew up in this community, it was deeply meaningful to stand before our youth and remind them of their brilliance,” said Courtney Brewington, CEO of SHK Partners. “Events like these are vital. They don’t just inform—they inspire. The wisdom shared by these phenomenal women aligned with the core values of my business; SMART Goals, Healthy Decisions, and being Kind to One Another. People young and experienced deserve every opportunity for continuous growth.”

Under Brewington’s leadership, SHK Partners continues to advance its mission of empowering business leaders, communities, and organizations through strategic consulting, mentorship, and value-driven sales. Brewington’s commitment to relationship building within large corporations and nonprofits was fully reflected in the day’s events.

The Thrive Together Youth Empowerment Event is part of a growing movement in Prince George’s County focused on equipping youth with confidence, support, and vision to lead with purpose.
