

Shoebox Dreams and Sunday Stories By Valerie Alexander

A Year of Faith, Family, and Finding Grace

Shoebox Dreams *and* Sunday Stories

Letters From Above

Valerie Alexander

Nashville, Tennessee Aug 1, 2025 (IssueWire.com) - From author Valerie Alexander comes *Shoebox Dreams and Sunday Stories*, a deeply personal and spiritually uplifting book that invites readers into a quiet rhythm of reflection, renewal, and remembrance.

Told across the span of a year, this inspirational collection draws from the cherished memories and keepsakes of Valerie's beloved sister, Alecia, whose life and legacy continue to shine in ways both simple and profound. Framed through weekly meditations marked as either a "Shoebox Dream" or "Sunday Story," the book offers a gentle companion for anyone seeking encouragement, comfort, or a deeper connection with their faith.

At its heart, *Shoebox Dreams and Sunday Stories* is a celebration of the little things—handwritten notes, quiet prayers, and family traditions—that point us back to something greater. Without rushing or preaching, the book offers readers space to breathe, reflect, and be reminded of God's abiding presence in everyday life.

This new release follows Valerie's first book, *Miracles of HOPE: Valerie's Journey*, continuing her mission to inspire readers through grace-filled storytelling rooted in faith, family, and resilience.

About the Author

Valerie Alexander is a devoted mother, grandmother, and Christian author whose writing draws strength from real-life experiences and unwavering trust in God. Through her books, Valerie seeks to share the beauty of spiritual legacy and the quiet power of divine love. She is also the author of *Miracles of HOPE: Valerie's Journey*, a memoir of prayer and perseverance.
