Barrow, Alaska Aug 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - Skyux Web3 Exchange Inc., originally registered in the United States as a fintech company focused on cross-border payment solutions, has officially unveiled its global strategy to redefine the future of digital finance. Over the years, the company has accumulated significant expertise in global financial compliance, fund settlement systems, and financial technology applications.

Skyux rebranded and strategically transformed into a next-generation digital asset exchange and service platform powered by **artificial intelligence and blockchain technology**. The company is committed to building an **open, trustworthy, and intelligent Web3 financial ecosystem**.

Skyux currently holds a **Money Services Business (MSB)** license issued by the **U.S. Financial Crimes Enforcement Network (FinCEN)**. Its comprehensive compliance framework includes KYC/AML screening, transaction behavior monitoring, and cross-border data protection. The platform is steadily expanding its regulatory presence in strategic regions such as **Singapore, Hong Kong, and the UAE**, forming a robust global legal network.

By deploying financial-grade security infrastructure and a distributed technical architecture, Skyux ensures uninterrupted **24/7 trading services** for users worldwide. Its product suite includes **spot trading, leveraged trading, perpetual contracts, AI-driven strategies, and copy trading systems**, offering multi-dimensional asset management solutions. Features such as “**One-Click Copy Trading**” and AI-powered risk detection empower both retail and institutional investors to engage in digital finance more efficiently and intelligently.

The founding team of Skyux consists of seasoned professionals from institutions like **Deutsche Bank**, the **Austrian Financial Supervisory Authority**, and **École Polytechnique**. Their international strategic vision and local execution capabilities form the core strength of Skyux’s leadership.

Skyux has also forged strategic partnerships with globally renowned technology and investment firms such as **Polygon Labs, CertiK, HashKey Capital**, and **Royoso International Investment**, to jointly advance on-chain trading, smart contract auditing, and compliant asset custody infrastructures.

Looking ahead, Skyux plans to **launch a Web3 Innovation Fund**, issue its native governance token **SKY**, and implement a full **DAO-based co-governance structure**, creating a collaborative and community-driven digital asset ecosystem.
