

Spicee Priestley Emerges as R&B's Next Breakout Voice with New EP Stages

Stages is a bold and sultry six-song journey through the highs and lows of love, blending soulful vocals with modern R&B production — Available now on all platforms.

Pensacola, Florida Aug 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Rising R&B artist **Spicee Priestley** released her highly anticipated EP, *Stages*, on **Friday, August 22, 2025**. The project is a rich, heartfelt collection that guides listeners through the emotional landscape of love, vulnerability, and self-discovery.

The EP's official single, “**Exist in My Dreams**”, has already begun generating buzz across streaming platforms and radio networks. Produced by **DJ Spine** and co-written with **Cherie Em**, the song showcases Spicee's smooth vocal delivery and dreamlike storytelling, setting the tone for the emotionally raw journey listeners will find throughout *Stages*.

Each track on the project represents a different chapter in the cycle of love — from hopeful beginnings to emotional unraveling — creating an intimate, relatable listening experience.

“Every song on Stages tells a story people can connect with. It's honest and vulnerable,” says Spicee Prestley.

Drawing inspiration from classic R&B and neo-soul while embracing the energy of today's sound, *Stages* positions Spicee as a fresh and dynamic voice within the genre.

Stream *Stages* now on **Spotify, Apple Music, Tidal, Amazon Music, YouTube Music, Pandora, or any music platform.**
