Empowering Individuals Across Kentucky on Their Journey to Mental Wellness With Personalized Care and Innovative Treatment Approaches

New York City, New York Aug 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - Sukh Dev Singh Khalsa, DNP, MBA, MSN, RN, PMHNP-BC, PHN, a distinguished Board-Certified Psychiatric-Mental Health Nurse Practitioner, is making waves in the field of mental health care as the President of Khalsa Psychiatric

Services: A Nursing Corporation, based in Georgetown, Kentucky. With over 30 years of dedicated experience, Dr. Khalsa is renowned for his expertise in psychiatric evaluation, medication management, addiction treatment, and eating disorder care, all while prioritizing the unique needs of each patient.

At Khalsa Psychiatric Services, patients aged 13 and older can expect a tranquil and supportive environment where their mental health needs are met with the utmost compassion and professionalism. “At Khalsa Psychiatric Services, we provide expert, one-on-one care in a peaceful and private setting designed for your well-being,” Dr. Khalsa stated. “Whether you’re seeking support for anxiety, depression, or other behavioral health concerns, we’re here to listen, guide, and help you heal.”

Dr. Khalsa’s innovative approach incorporates evidence-based practices alongside personalized treatment plans that may include genomic evaluations when appropriate. This holistic method ensures that each patient receives tailored care that addresses their specific mental health challenges, whether in-person or via telemedicine.

Dr. Khalsa’s extensive career has equipped him with a wealth of knowledge and experience. He previously served as the Director of Education, Clinical Practice, and Clinical Informatics at the Loma Linda University Behavioral Medicine Center, where he played a pivotal role in staff development, competency programs, and the implementation of electronic medical records. His experience extends beyond Kentucky, as he has also provided specialized psychiatric care at Riverside Psychiatric Medical Group in California since 2016.

His academic background is as impressive as his professional experience. Dr. Khalsa holds a Doctor of Nursing Practice from Loma Linda University, a Master of Science in Nursing and Psychiatric Mental Health Nurse Practitioner certification from Azusa Pacific University, and an MBA in Health Care Management from the University of Phoenix. He is also pursuing a Doctor of Philosophy in Nursing at Azusa Pacific University, underscoring his commitment to lifelong learning and contribution to the field of psychiatric care.

Recognized for his visionary leadership and mentorship of healthcare professionals, Dr. Khalsa remains an influential figure in psychiatric and psychopharmacological research. His mission is clear: to provide personalized, judgment-free psychiatric care rooted in compassion, clinical excellence, and genuine human connection. Dr. Khalsa believes that every patient deserves to feel heard, supported, and empowered on their journey to healing.

For those seeking compassionate and expert mental health care, Khalsa Psychiatric Services stands ready to serve the community of Georgetown, Kentucky. Patients can schedule an appointment to begin their path toward healing and better mental health today.
