Susan Hinton: Bringing Two Decades of Expertise to RE/MAX Town & Country in Jasper, Georgia

New York City, New York Aug 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - RE/MAX Town & Country is excited to announce that Susan Hinton, a dedicated REALTOR® with over 20 years of real estate experience, has

returned to the industry full-time. With a deep understanding of both the metro Atlanta and North Georgia markets, Susan is poised to provide unparalleled service to her clients in key areas, including Buckhead, Roswell, Alpharetta, Cumming, and the picturesque North Georgia Mountains, particularly the renowned Big Canoe community.

Licensed since 2005, Susan began her real estate career selling high-end homes for a builder, successfully managing sales in residential and townhome communities. Her early accomplishments included overseeing properties priced up to half a million dollars, but the 2008 housing downturn led her to a temporary return to the corporate world. Despite this shift, she maintained an active real estate license, assisting clients on a referral basis while balancing her corporate duties.

Throughout her career, Susan has been committed to supporting buyers and sellers at every stage of the transaction process. From negotiations to closing, she ensures that her clients' best interests are always represented. Her extensive experience with various brokerages and market conditions has equipped her with the skills necessary to navigate the complexities of real estate transactions, making her a trusted ally for buyers and sellers alike.

Now back in the industry full-time, Susan is excited to leverage her regional knowledge and hands-on experience to assist clients in finding their ideal primary homes or investment properties in both urban and mountain settings. Her people-first approach, strong work ethic, and loyalty have been the cornerstones of her success and have helped her build lasting relationships within the community.

Susan expresses her gratitude for the opportunity to work in real estate, stating, "I love connecting people with neighborhoods that reflect their lifestyles, whether it's the vibrant city or the tranquility of the mountains."

In her personal life, Susan enjoys spending time at Big Canoe, where she embraces the lake life through boating, golfing, and learning pickleball. Her passion for the community and dedication to her clients make her an invaluable asset to RE/MAX Town & Country.
