

# The ISCPO Welcomes SEMM Holdings as Preferred Partner

ISCPO Welcomes SEMM Holdings and Its Business Units to Strengthen Supply Chain Fraud Prevention

**Dallas, Texas Aug 25, 2025** ([IssueWire.com](https://www.issuewire.com)) - The International Supply Chain Protection Organization (ISCPO) is proud to announce **SEMM Holdings** as its newest preferred partner. Through its three business units—The Integritus Group, Learn It Media, and Pharma Compliance Group—SEMM Holdings delivers solutions that safeguard supply chains, mitigate fraud, and strengthen compliance across industries.

- **The Integritus Group** provides scalable loss prevention and risk mitigation programs including delivery audits across the retail industry.
- **Learn It Media** delivers award-winning digital training solutions, including the newly announced **TruckWarden™ cargo theft prevention training program** to support driver readiness and risk awareness.
- **Pharma Compliance Group** ensures regulatory compliance and diversion prevention within the pharmaceutical supply chain.

*“We are thrilled to welcome SEMM Holdings to the ISCPO Preferred Partner Program,” said Byron Smith, ISCPO President & Chairman. “SEMM Holdings expertise in retail, logistics, and pharmaceutical supply chains is invaluable. This partnership strengthens our mission to promote supply chain security and best practices by helping our members and the supply chain security community address critical fraud and compliance risk.”*

*Kevin R. O’Brien, EVP Business Development of SEMM Holdings, added: “We are pleased to partner with ISCPO as each of our brands work closely with preventing supply chain fraud—whether in the retail supply chain or the pharmaceutical supply chain. Together, we can expand awareness, training, and solutions that help organizations protect their people, products, and profits.”*

Together, ISCPO and SEMM Holdings will collaborate to advance supply chain protection, share best

practices, and strengthen resilience against fraud and theft across industries.
