Singapore, Singapore Aug 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Pain Relief Clinic, a licensed medical facility located in Shaw House (Orchard), now offers affordable and convenient access to [diagnostic X-ray imaging for patients in Singapore](#). With prices starting from **\$50**, individuals experiencing joint, spine, or musculoskeletal pain can now undergo [same-day imaging](#) without long wait times.

This service aims to improve access to early diagnosis, especially for those experiencing pain, restricted movement, or suspected injuries in areas such as the shoulder, ankle, knee, wrist, or spine.

Imaging for Pain and Injury Management

X-rays provide valuable insight into structural causes of pain such as:

- Undiagnosed fractures or bone spurs
- Arthritis and cartilage thinning
- Joint misalignment
- Disc-related spinal issues
- Residual effects from previous injuries

This imaging service supports patients in making more informed decisions about their care, with optional same-day consultations available for those seeking further diagnosis or treatment.

Claimable via [Insurance](#), Medisave & Flexi-Benefits

Patients may use the following to cover eligible costs, subject to medical assessment:

-  Personal Accident Insurance
-  Travel Insurance
-  Company Medical Insurance
-  Corporate Flexi-Benefits
-  Medisave (where applicable)

The Pain Relief Clinic provides necessary documentation and medical memos to assist with claims and reimbursements.
