

Transforming Smiles and Lives: Ryan L. Brittingham, DDS, Continues to Lead in Innovative Dental Care

Hutchinson Native and Renowned Dentist Combines Expertise with Compassion to Revolutionize Patient Experiences

New York City, New York Aug 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Ryan L. Brittingham, DDS, a prominent figure in the field of dentistry, is proud to celebrate over two decades of dedicated service to his patients at his private practice, Legacy Dental Implant Studio, located in Leawood, Kansas. In addition to his

work there, he lends his talents to Leawood Cosmetic & Family Dentistry, continuing his commitment to comprehensive patient care.

Raised in Hutchinson, Dr. Brittingham has built his career on a strong foundation of leadership, service, and perseverance, values that have shaped his approach to patient care and community involvement. From his early years as an Eagle Scout and a multi-sport athlete, he learned the importance of discipline and teamwork—qualities he carries into his dental practice today.

Originally aspiring to be a surgeon, Dr. Brittingham faced challenges in gaining admission to medical school. However, with encouragement from his wife, Kellie, he found his true calling in dentistry, earning his Doctor of Dental Surgery Degree from Creighton University School of Dentistry in 2001.

With a focus on All-on-4 dental implants, full mouth reconstruction, and sedation dentistry, Dr. Brittingham has embraced modern technology to enhance patient care. His expertise includes advanced techniques such as 3D CT scanning, cone beam CT scanning, and PRP (platelet-rich plasma) therapy, enabling him to provide precise and minimally invasive treatments that yield optimal results for his patients.

As the founder of Legacy Dental Implant Studio, Dr. Brittingham's patient-first philosophy ensures personalized treatment in a welcoming and comfortable environment. He believes that every patient deserves one-on-one attention, which is a cornerstone of his practice.

In addition to his clinical work, Dr. Brittingham is passionate about mentoring the next generation of dentists. He actively participates in speaking engagements, sharing his extensive knowledge and insights into the advancements in dental care. His commitment to education is fueled by his desire to inspire others to excel in the field, just as he has been inspired by his mentors, including Dr. Dick Barnes, Dr. Reznivk, and Dr. Jim Downs.

Dr. Brittingham's love for his patients drives his success. He finds immense fulfillment in restoring smiles and transforming lives, believing that dentistry is not just about restoring teeth but about enhancing the overall quality of life for individuals. Whether patients seek cosmetic treatments such as dental veneers or require sedation dentistry for a more comfortable experience, Dr. Brittingham provides expert care tailored to each individual's needs.

Outside of his professional life, Dr. Brittingham treasures time with his family. He and Kellie, his high school sweetheart, are devoted parents to three children. They enjoy balancing their busy careers with family adventures, often traveling to destinations like Mexico and Florida, and engaging with their local community.

Dr. Ryan L. Brittingham represents the future of dentistry—combining technical expertise with a heartfelt commitment to patient care. For those seeking a dental experience that prioritizes compassion, innovation, and transformative results, Legacy Dental Implant Studio is the place to turn.
