

Unlocking the Mystery of the Soul: Accessing the Akashic Records — New Release by Shima Shad Rouh

Discover how to access your soul's eternal library, heal karmic patterns, and awaken your true purpose — with Shima Shad Rouh's new book and self-paced Akashic Initiation.

Marbella, Malaga Sep 8, 2025 ([IssueWire.com](https://www.issuewire.com)) - Internationally renowned healer, teacher, and bestselling author **Shima Shad Rouh** invites you on a journey that bridges science and spirituality with her groundbreaking new book, *Unlocking the Mystery of the Soul: Accessing the Akashic Records*. Available worldwide on **Amazon** in **paperback, hardback, and Kindle editions**, this book is more than guidance — it is an initiation into the timeless field of soul wisdom.

The Science of Spirit: Bridging Quantum Physics and Ancient Texts

The Akashic Records are often described as the “Book of Life,” holding the energetic imprint of every thought, action, and experience across all time. Shima explains how this universal library can be understood not only through **ancient spiritual traditions** but also through the lens of **quantum physics**, where energy and consciousness transcend space and time.

By drawing parallels between sacred texts and modern science, Shima reveals how the **energetic imprint of everything that exists is accessible**, offering you a profound tool for healing, transformation, and awakening.

Wisdom in Context: Building on the Work of Great Teachers

In *Unlocking the Mystery of the Soul*, Shima also places her teachings within the lineage of great modern pioneers such as **Dolores Cannon** and **Michael Newton**. Both explored the depths of regression therapy and soul memory, uncovering powerful insights into life between lives, karmic lessons, and the continuity of consciousness.

Shima expands on their discoveries, illuminating them through the Akashic perspective — showing how karmic vows, ancestral trauma, and unresolved imprints can be revealed and dissolved through direct access to the Records.

Practical Teachings You Can Use

This book gives you hands-on tools to:

- **Access the Akashic Records** safely and effectively.
- **Heal karmic patterns** and liberate yourself from ancestral trauma.
- Understand **reincarnation** and embrace **free will** as your soul’s compass.
- **Distinguish intuition from ego** and true guidance from the mind.
- Connect with **angels, guides, and multidimensional allies**.
- Align your daily life with **unconditional love and higher purpose**.

???? A Revolutionary Step: Auto-Initiation into the Akashic Records

For the first time, Shima offers an **Auto-Initiation Course** — making the sacred initiation into the Akashic Records available for you to receive anytime, anywhere. Until now, initiations could only be experienced in person or online. Now, you can enter this sacred field in your own time and space, guided step by step into a direct, living connection with your soul's wisdom.
