

Veritas Global Protection Expands Dealer Network for Sponsored Vehicle Protection Plans

Phoenix, Arizona Aug 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - Veritas Global Protection, a leading provider of vehicle service contracts, continues to strengthen its presence in the automotive industry by expanding its Veritas Global Protection-sponsored network of participating dealerships. This strategic expansion allows more drivers to access flexible sponsored service contracts and extends the reach of Veritas' innovative auto dealer protection plans nationwide.

The company's F&I partnership model enables dealerships to offer Veritas-sponsored plans directly at the point of sale, streamlining the process for customers who want reliable vehicle protection. These sponsored service contracts can include coverage for critical systems like the engine, transmission, air conditioning, and electrical components, along with perks such as roadside assistance, towing services, and rental reimbursement.

The enhanced network now includes a diverse mix of both independent and franchise auto dealers across the United States. Participating dealers receive access to Veritas' comprehensive training, marketing tools, and advanced digital plan platform. These auto dealer protection plans are designed to be customizable, making them ideal for new, used, high-mileage, hybrid, and even luxury vehicles.

Highlights of Veritas-sponsored protection plans:

- Coverage for gas, hybrid, and electric vehicles
- Options tailored to high-mileage or luxury cars
- Transferable contracts with nationwide repair facility access
- Financing options built into the purchase agreement

With the [Veritas Global Protection Sponsored model](#), customers can drive off the lot with full protection in place, avoiding the hassle of shopping for third-party plans later. Repairs can be completed at any certified service facility across North America, and Veritas coordinates directly with repair shops for faster claims processing.

As demand grows for better vehicle protection at the dealership level, Veritas' innovative F&I partnership structure continues to offer a compelling solution. Dealers benefit from enhanced sales opportunities and customer retention, while drivers gain peace of mind from trusted, backed coverage.

Veritas Global Protection is headquartered in Phoenix, Arizona, and proudly supports a growing network of dealers, fleets, and drivers with premier sponsored service contracts and support.
