

VextaPay Launches Global Virtual Visa Card Platform for Seamless Online Payments

Oldham, England Aug 27, 2025 ([Issuewire.com](https://www.issuewire.com)) - **VextaPay**, a UK-based fintech company, has officially launched its innovative platform offering **international virtual Visa cards** designed for secure and instant online payments across the globe.

With a mission to simplify digital transactions for users worldwide, VextaPay provides individuals and

businesses with access to **unlimited virtual Visa cards** — ideal for online subscriptions, e-commerce, digital advertising, and more. The service is open to everyone, requiring only a **\$5 USD startup fee** and a quick **KYC verification**.

“We built VextaPay to give people around the world access to fast, secure, and flexible financial tools,” said **Rabbani Khan**, CEO of VextaPay. “Whether you're a freelancer, advertiser, or online shopper, VextaPay puts global payments in your hands instantly.”

Key Features:

- Instant virtual Visa card issuance upon KYC approval
- Multi-currency support
- Fully compatible with all major global platforms
- Affordable onboarding: just \$5 to get started
- Fast, secure, and compliant digital infrastructure

The virtual cards work on platforms like Netflix, Amazon, Facebook Ads, Google Ads, Shopify, and countless others — making VextaPay an essential solution for both personal and business use.
