

Visernic Limited Officially Registers in the United Kingdom, Expanding Global Digital Services

Southampton, Hampshire Aug 2, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Visernic Limited, a leading digital technology and software development company, is proud to announce its official registration and incorporation in the United Kingdom under Company Number **16613617**. This strategic milestone marks a significant step in Visernic's mission to deliver innovative, custom software, IT consulting, and digital marketing solutions to clients across the globe.

With its new headquarters located at **Unit 4, Storm 12 Plaza Shopping Centre, 54 St Mary's Road, Southampton, SO14 0BH**, Visernic Limited is now positioned to better serve the UK market and expand its reach throughout Europe and beyond.

A New Chapter for Global Digital Innovation

Founded originally in Bangladesh, Visernic has grown rapidly by providing cutting-edge web and mobile app development, UI/UX design, and comprehensive digital marketing services. The UK incorporation aligns with Visernic's vision to bridge global expertise with local presence, delivering cost-effective and scalable technology solutions for startups, SMEs, and enterprise clients.

"Registering in the UK is a pivotal milestone for Visernic," said **Sarfenaz Naz**, Co-founder and Editor. "This expansion reflects our commitment to meeting increasing demand for digital transformation services and supporting businesses in the UK and Europe with tailored, high-quality solutions."

Comprehensive Service Offerings

Visernic Limited offers a broad range of digital services including:

- Custom software development using Laravel, React, Flutter, and Vue.js
- IT consultancy and digital strategy
- Data-driven digital marketing and SEO services
- Cloud hosting, domain registration, and cybersecurity
- E-commerce and SaaS platform development

Commitment to Quality and Innovation

As a UK-registered company, Visernic is dedicated to upholding the highest standards of service excellence and customer satisfaction. The company combines global talent with local market insights, ensuring agile project delivery and measurable business results.
