

W.A.S.T.E Entertainment and PosseTV Announce Soundtrack and Documentary Launch

Capitol Heights, Maryland Aug 16, 2025 (Issuewire.com) - W.A.S.T.E Entertainment and PosseTV Announce Soundtrack and Documentary Launch, Highlighting the Unseen Hustle of the DMV Music Scene

W.A.S.T.E Entertainment LLC and PosseTV are proud to announce the official launch of their new

documentary and accompanying soundtrack. The project offers an unprecedented look into the independent music scene of the Baltimore-Washington metropolitan region, known as the DMV, revealing the grit and determination of artists working to make their mark.

From the acclaimed producers of the NYC-based PosseTV series, this documentary takes viewers on a journey from New York City to the heart of the DMV. It explores the challenges and triumphs of artists striving to succeed outside of mainstream hubs. The film and soundtrack spotlight the untold stories of those who embody the theme **"Wandering And Surviving Through Everything,"** a mantra personified by the independent organization, W.A.S.T.E Entertainment.

"We wanted to tell a story that hasn't been heard before," said a representative from PosseTV. "The DMV has a vibrant, resilient culture, and the artists here are incredibly talented. This documentary is a tribute to their hustle and a declaration that the DMV is a major force in the entertainment industry."

The accompanying soundtrack features a diverse selection of independent artists from the film, giving listeners a chance to experience the sound of the DMV firsthand. W.A.S.T.E The Documentary will be available for streaming on all music platforms on Aug 19, 2025 Pre-save now!
