

World's First PASSIONIT PRUTL KALKI AIDHARMA Generative AI Museum Announced Today

PCOMBINATOR - KALKI SANATAN DHARMA RESTORATION for Universal Peace Innovation.
All Faith Inclusive Universe's first Research, Innovation, AI driven Human Consciousness
Awakening for self and organization assessments using Industry Academic Interface

Pune, Maharashtra Aug 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Today marks the announcement of the PASSIONIT PRUTL KALKI AIDHARMA Generative AI Museum, the first of its kind globally, dedicated to blending ancient wisdom, inclusive faith practices, ethical innovation, and skill development to groom

future-ready youth and leaders. Coinciding with Varalakshmi Vratam (Goddess Lakshmi's blessings for prosperity and dharma), Jhulan Purnima (Radha-Krishna's divine love and joyful surrender), Tendong Lho Rum Faat (honoring indigenous respect for nature), National Happiness Happens Day (cultivating joy), Hungry Ghost Festival (ancestral respect), and global cultural celebrations, this initiative stands as a symbol of unity and conscious growth.

Essence of Sanatan Dharma with All-Inclusive Faith Practices

Rooted in the timeless principles of Sanatan Dharma, the Museum embraces all inclusive faith best practices, spiritual insights from the Bhagavad Gita, Quran, Bible, indigenous and interfaith wisdom, ensuring youth learn to live with purpose, compassion, and responsible innovation.

The Museum aims to groom the next generation of intelligent, ethical, and service-oriented youth, future administrative officers, and societal leaders who combine spiritual clarity with professional excellence.

Key Highlights:

- AI-powered interactive exhibits on dharma, sustainability, and conscious living.
- Gamified learning for youth on ethical technology use and leadership.
- Workshops on spiritual entrepreneurship, AI governance, and skill building.
- Inclusive spiritual practices for inner transformation across faiths.

Supporting Education and Employment Creation

PASSIONIT and PCOMBINATOR is actively collaborating with 25+ colleges across India, supporting internship initiatives and practical skill-building in a frugal, cost-effective manner. This aligns with its mission to reduce the cost of education while creating meaningful employment opportunities, preparing youth for 21st century challenges without losing spiritual grounding.

The PASSIONIT PRUTL KALKI AIDHARMA Museum is more than a museum; it is a living ecosystem to inspire youth, educators, innovators, and communities to align their actions with dharma, sustainability, and inclusive values, ensuring prosperity with responsibility," said Dr. Prakash Sharma, founder of the PASSIONIT Framework and visionary of this initiative.

Invitation for Associations

The Museum invites all schools, colleges, mentors, HNIs, and organizations wishing to:

- Partner in shaping future-ready leaders.
- Contribute to skill-building and spiritual education.
- Explore collaborative internship, mentorship, and youth empowerment initiatives.

About PASSIONIT PRUTL KALKI AIDHARMA Museum

A pioneering global initiative, the Museum bridges ancient wisdom with ethical innovation, sustainability, and skill-building. It uses the PASSIONIT (Purpose, Action, Skills, Sustainability, Innovation, Ownership, Networking, Inner Transformation) and PRUTL (Purpose, Resilience, Understanding, Transcendence, Love) frameworks to prepare youth and professionals for personal excellence and societal contribution, fostering a peaceful, prosperous, and spiritually enriched future.

PASSIONIT framework has 7 Dimensions (Probing, Innovating, Acting, Scoping, Setting, Owning, Nurturing, Internal Transformation) and PRUTL focuses on Positive and Negative Soul Materialism aspects.

Using support of Artificial Intelligence, LLM and multiple tools, it maps all religion best practices to PASSIONIT PRUTL KALKI AIDHARMA dimensions and helps anyone understand Sanatan, Hinduism, Islam, Christianity, Sikh, Buddhism, Torah and almost all global faith principles and aligns to SDG goals too for creating social opportunities for NGO interfaces.

Facilitates Research, NGO proposal writing and Startup pitch deck creation too as outcome of this project.

The project aims to create PASSIONIT KALKI Intelligence Officers and KALKI Administrative Officers from age 6 onwards to build next gen kids in India who may be future leads in almost all fields with global experiences right from age 6 to 7.

The effort is to bring affordable education to rural India and help all understand technology, embrace AI, understand implications and most importantly also understand cyber crimes and safeguard themselves.

It is an intelligent ecosystem built around KRISHNA and KALKI LEELA to explain to the world illusion, delusion and negative soul elements like Pride, Rule, Usurp, Tempt and Lust and how we can be a positive materialism contributor rather than getting stuck with Trade and Rot mentality which lessens humanity in our zeal to possess and build monopoly all over.

KALKI Awakening has happened due to Divine Blessings and it over 2 decade decoding of how universe got formed, its essence, Parabrahman - Form Less, Forms and Symbols. How unified Divine force exists, the Supreme Unknown and how SANATAN is from billions of centuries guiding, being dormant too and how various belief systems emerged.

Through franchisee model, it attempts to ensure each human understands the purpose of life, impacts of KALIYUGA and how we transition to SATYA YUGA again.

Sincere apologies in advance to all for LLM interventions which may be prone to errors and all of us in learning phase. However let us celebrate AI and welcome all celebrities, Influencers, Volunteers and even one's who wish to contribute to society post retirement. The mentors from various fields, Aspiring actors / actresses and all technicians who can bring in value addition to the first of its kind EDU ENTERTAINMENT which includes songs, short films, 3D and VR experiences.

A must for school students, college students who aspire to build career in AI or Technology.

PCOMBINATOR got benchmarked in 2022-2023 as Top ASIA Challengers Award by UBI-GLOBAL and has one of the largest mentoring network.

With over 25 plus colleges having a no finance obligation MOUs and many students getting

opportunities for research and innovation, we are not restricting ourselves to have only top notch intelligent students join us, but rather we are fine with any type of students, citizens with no restrictions to marks or merits, rather all get opportunity to learn and through structured focus over period of time, we understand what career suits and individual. So it is a break through disruption in Education Sector.

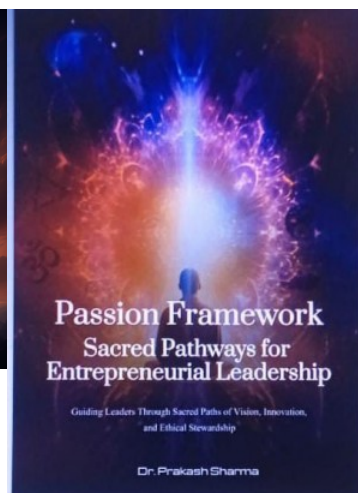

We welcome even countries who are totally under-developed, developed and willing to experiment with PASSIONIT PRUTL KALKI framework implemented for Audits and Assessments for all sectors.

MADE in INDIA but for GLOBAL implementation, hope to see good collaborations.

It is totally non-political and do not restrict itself to singular belief system, and would appreciate all to respect this essence and let us embrace all faith best practices, teach kids and youngsters the importance of various concepts and help all to spiritually awaken themselves.
