

yummy.world Expands to Spain with Full Spanish Language Support and Amazon Fresh Partnership

Interactive recipe map with AI-powered “yummAI” personal chef now makes it easy for Spanish home cooks to discover, plan, and shop fresh meals in one click.

Madrid, Spain Aug 19, 2025 ([Issuewire.com](https://www.issuewire.com)) - yummy.world, the world's first interactive recipe map with an integrated AI personal chef, today announced its official expansion into Spain, complete with full Spanish language support and a strategic partnership with Amazon Fresh Spain for seamless grocery shopping.

With yummy.world, users can explore authentic recipes from every corner of the globe, adapt them to personal tastes or dietary needs, and instantly shop all ingredients via Amazon Fresh — without ever leaving the platform.

The platform's signature feature, yummAI, acts as a personal chef and food expert. It can recommend the perfect dish or assemble a complete menu based on ingredients at hand, special occasions, dietary preferences, and budget — all in Spanish.

Key Benefits for Users in Spain

- Interactive World Recipe Map – Discover and cook authentic dishes from across the globe
- Fully Localized in Spanish – Browse recipes, menus, and cooking tips entirely in your language
- yummAI Personal Chef – Get AI-driven recipe and menu suggestions for any occasion or diet
- One-Click Grocery Shopping – Order every ingredient directly through Amazon Fresh Spain
- Local Prices & Availability – Ingredient costs and delivery options tailored to your Spanish location

“Spain has an incredible culinary tradition, and we’re thrilled to bring yummy.world here in full Spanish,” said Steffen Matzke, founder of yummy.world. “Our partnership with Amazon Fresh Spain means users can discover inspiring recipes and have every ingredient delivered to their door — making cooking fresh and delicious meals easier than ever.”

The Spanish launch marks a major step in yummy.world's mission to make global cooking accessible, inspiring, and convenient for everyone — no matter where they live or what language they speak.
