Dubai, United Arab Emirates Sep 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Al-Rabiya Auto Accessories expands ceramic coating lineup with quartz plus from Onyx Coating

Al-Rabiya Auto Accessories, a [leading supplier of premium automotive care products](#) in the Middle East, is proud to announce the introduction of Quartz Plus, the latest ceramic coating product from Onyx

Coating. This advanced formula combines superior durability, a sleek glossy finish, and chemical resistance, delivering reliable and long-lasting surface protection for vehicles.

[Quartz Plus](#) offers up to three years of durability, exceptional gloss and sleek finish, and super-hydrophobic performance with water repellency of up to 110°. Its 9H hardness provides a deep, high-gloss reflective finish and resistance to contaminants, chemicals, and UV damage. Easy application and removal ensure a smooth process in any environment, making Quartz Plus a dependable choice for installers and end-users.

“By bringing Quartz Plus to our partners and clients, we are not only expanding our ceramic coating portfolio but also ensuring they have access to the very latest in surface protection technology,” said Ahmed Allaf, Sales Manager at Al-Rabiya Auto Accessories. “We understand that every business and every car care professional has different needs, and offering more choices is key to helping them succeed.”

For car care professionals, Quartz Plus offers an opportunity to broaden their range of [ceramic coatings](#) and provide tailored solutions to their customers. This reflects Al-Rabiya’s commitment to delivering both variety and quality, ensuring partners can meet diverse market demands quickly and effectively.

“What makes Al-Rabiya different is our ability to bring the newest products to our partners at short notice,” added Ahmed Allaf. “We are deeply committed to supporting our partners with high-quality, innovative car care supplies and paint protection products that enhance their business and meet the expectations of car owners in the region.”
