

Anita Spivey: A Champion for Community Health at Florida Department of Health – Sumter County

Dedicated Nurse Practitioner Combines Expertise and Compassion to Enhance Public Health Initiatives

Bunnell, Florida Sep 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Florida Department of Health in Sumter County proudly recognizes Anita Spivey, MSN-ED, APRN, FNP-C, for her exceptional contributions to healthcare in the community. With over 23 years of nursing experience and two years as a Nurse

Practitioner, Anita has dedicated her career to improving health outcomes and promoting wellness across the region.

Anita earned her Bachelor's degree in Nursing from the University of Phoenix in 2004, followed by a Master's in Nursing Education in 2012. Her commitment to advancing her expertise led her to complete her Master's degree as a Family Nurse Practitioner in 2024, equipping her with the skills necessary to address a wide range of health concerns in her community.

Currently serving at the Florida Department of Health – Sumter County, Anita applies her extensive knowledge to tackle pressing public health issues. Her specialties in infectious diseases, public health, and family medicine enable her to deliver comprehensive, patient-centered care tailored to the unique needs of individuals and families. Anita's compassionate approach fosters trust and collaboration, creating an environment where patients feel empowered to take charge of their health.

"I believe that healthcare is not just about treating illness, but about promoting overall wellness and preventing disease," said Anita Spivey. "I am passionate about working with my community to ensure that everyone has access to the resources they need to lead healthy lives."

Anita is an active member of several professional organizations, including Sigma Theta Tau, the American Association of Nurse Practitioners, the American Nurses Association, and the Florida Nursing Association. Her involvement in these organizations reflects her commitment to professional development, networking, and advocacy for the nursing profession.

In addition to her clinical work, Anita is dedicated to public health initiatives and evidence-based practices that enhance the quality of care for her patients. She participates in community outreach programs and health education workshops, aiming to empower individuals with the knowledge and skills necessary for maintaining their health and well-being.

As a valued healthcare provider in Sumter County, Anita Spivey continues to inspire others with her dedication to service and excellence in nursing. The Florida Department of Health is proud to have her on its team, working tirelessly to improve the health of the community.
