

Anthony P. Basel, DO: Pioneering Patient-Centered Care in Internal and Critical Care Medicine

Texas Physician Enhances Healthcare Access for Adults and Older Adults with Complex Medical Needs

New Braunfels, Texas Sep 18, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Anthony P. Basel, DO, a board-certified physician with a specialization in internal medicine and critical care medicine, is dedicated to offering advanced, patient-centered care to adults aged 18 to 65 and older adults facing complex medical challenges. His extensive experience and commitment to healthcare excellence ensure that patients

receive the highest quality medical attention.

Affiliated with CHRISTUS Santa Rosa Hospital–New Braunfels, Dr. Basel provides comprehensive care around the clock, ensuring that patients have access to essential medical services whenever needed. In addition to his role at New Braunfels, he is privileged to offer his expertise at CHRISTUS Santa Rosa Hospital – San Marcos/New Braunfels and CHRISTUS Santa Rosa Hospital – Westover Hills/Alamo Heights. This affiliation allows him to extend his reach, ensuring that patients across multiple locations receive high-quality care.

Dr. Basel's educational journey began with his Doctor of Osteopathic Medicine Degree from the West Virginia School of Osteopathic Medicine. He completed his residency in internal medicine at the Dwight David Eisenhower Army Medical Center, followed by a fellowship in critical care medicine at the University of Maryland Medical Center. His rigorous training, combined with his military medical experience, equips him with the necessary skills to manage complex and life-threatening conditions effectively.

As a Diplomate of the American Board of Internal Medicine, board-certified in both internal medicine and critical care medicine, Dr. Basel emphasizes a clinical approach that marries evidence-based practices with compassionate patient care. He believes in the importance of addressing both acute medical interventions and long-term wellness strategies tailored to each patient's unique needs.

Dr. Basel is passionate about guiding patients and their families through the complexities of healthcare, focusing on preventive care and navigating critical health challenges. His holistic approach not only prioritizes immediate health concerns but also emphasizes the importance of ongoing health maintenance and wellness.
