

AquaSolution – Bengaluru’s Premier Aquarium & Terrarium Store Redefines Nature-Inspired Living

From 2,000+ successful projects to nature-inspired interiors, AquaSolution is Bengaluru’s top destination for aquariums, terrariums, moss walls, and eco-workshops – inviting everyone to experience the best aquarium and terrarium store in the city.

Bengaluru, Karnataka Sep 18, 2025 ([IssueWire.com](https://www.issuewire.com)) - AquaSolution – The Aquarium & Terrarium Store, located in Koramangala, Bengaluru, is redefining how homes, offices, schools, and commercial spaces experience nature. Founded by passionate hobbyist-turned-expert Mohan Kannan, AquaSolution combines art, science, and sustainability to create world-class aquariums, terrariums, paludariums, moss walls, and ponds. With free consultations, hands-on workshops, and a focus on mental well-being and eco-awareness, AquaSolution has become the go-to aquarium and terrarium store in Bengaluru.

If you are searching for the best aquarium and terrarium store in Bengaluru, look no further than AquaSolution – The Aquarium & Terrarium Store, located in Koramangala. Since its establishment in 2022, the brand has quickly grown into a trusted name, thanks to the vision of founder Mohan Kannan, whose journey began in 2007 with over 25 aquariums in his personal fish room, a popular YouTube channel, and a thriving online community.

Today, AquaSolution has successfully completed 2,000+ projects – ranging from custom nano aquariums for hobbyists to massive 12-foot installations for restaurants and corporate offices. Their projects span across resorts, co-working spaces, schools, and luxury residences, making AquaSolution a pioneer in nature-inspired interior design in Bengaluru.

“At AquaSolution, we believe that every aquarium or terrarium is not just a decorative piece—it’s a living ecosystem. Every fish, frog, crab, or plant has a soul and deserves the right care and environment,” says Mohan Kannan, Founder of AquaSolution.

Unlike ordinary aquarium shops, AquaSolution offers an extensive range of solutions:

Nature aquariums

Terrariums & Paludariums

Moss wall art & indoor green design

Ponds & aquascapes

Exotic pets (tarantulas, snakes, frogs, axolotls, and rare fishes)

AquaSolution is also famous for its terrarium workshops, where beginners and hobbyists learn to design and maintain their own ecosystems. With free expert consultations and a focus on eco-friendly, ethical care, the brand ensures that customers of all ages feel confident and inspired.

With its motto “Connecting People to Nature”, AquaSolution goes beyond products—it’s about creating sustainable, stress-relieving, and educational experiences that bring nature into everyday life.

Expansion Plans:

AquaSolution aims to expand across Bengaluru, scale operations pan-India, and eventually cater to global markets, bringing the best of aquarium and terrarium design to homes and businesses worldwide.
