

BuyHeatShrink.com Marks 20 Years as a Trusted Leader in Heat Shrink Tubing, Cable Ties & Wire Management

Celebrating two decades of growth, BuyHeatShrink.com reaffirms its commitment to certified quality, fast shipping, and reliable wire management solutions for industries nationwide.

Pompano Beach, Florida Jan 3, 2026 (IssueWire.com) - BuyHeatShrink.com, a pioneer in online distribution of [heat shrink tubing](#), **cable ties**, **braided sleeving**, and **wire management products**, proudly announces its 20th anniversary. Since 2005, the company has grown from a one-man startup into a **certified industry leader with over 12,000 stocked products**, serving customers in aerospace, defense, automotive, construction, manufacturing, and medical industries.

Founded by chemical engineer **Marc Savoy** after a life-changing accident during Hurricane Wilma, BuyHeatShrink.com started with the goal of making certified, high-quality electrical supplies accessible for businesses of every size. Today, the company operates from a **5,000 sq/ft warehouse in Pompano Beach, Florida**, and is recognized for **technical expertise, fast shipping, and certified UL, RoHS, and MIL-SPEC products**.

“Our 20th anniversary is more than a milestone — it’s a reflection of trust, consistency, and service,” said Marc Savoy, Founder and President. “From heat shrink tubing to cable ties and braided sleeving, we’ve built BuyHeatShrink.com around products that professionals rely on — always backed by expertise and customer-first values.”

As part of its 20-year celebration, BuyHeatShrink.com is reaffirming its mission: to stock smarter, ship faster, and provide businesses with **the best wire management solutions on the market**.
