CandidRoot Solutions is a certified Odoo implementation partner company with 14 years of experience. We provide end-to-end ERP implementation services for various business industries.

Silver Partner

Yorkton, Saskatchewan Jan 16, 2026 (Issuewire.com) - CandidRoot Solutions, a leading Odoo implementation partner, proudly announces its continued success as a trusted name in the world of enterprise business solutions. With 14+ years of hands-on experience in Odoo, the company has emerged as a reliable partner for businesses across industries seeking digital transformation and operational excellence.

Over the years, CandidRoot Solutions has built a reputation for delivering seamless [Odoo implementation](#), customization, integration, and support services tailored to the unique needs of businesses. The company's team of **40+ certified Odoo experts** ensures that clients receive robust and scalable ERP solutions to streamline operations, improve productivity, and accelerate growth.

CandidRoot has successfully partnered with **100+ trusted clients** worldwide, empowering organizations to harness the full potential of Odoo's open-source ERP ecosystem. Its footprint spans 20+ countries, reflecting its global reach and ability to adapt to diverse business requirements.

One of the cornerstones of CandidRoot's success is its exceptional **95%** client retention rate, underscoring the company's commitment to building long-term relationships through consistent quality, innovation, and customer-centric solutions.

"Our mission has always been to enable businesses to achieve efficiency and scalability through Odoo. We are proud of our journey so far, and our high client retention rate reflects the trust and satisfaction of our valued clients," said Nirav Parmar, [Odoo ERP Consultant](#) of CandidRoot Solutions.

As businesses worldwide increasingly adopt digital transformation strategies, CandidRoot Solutions continues to stand out as a trusted partner by providing customized Odoo solutions, backed by expertise, reliability, and a client-first approach.
