

Catch Team Experro at Booth G51 in eCommerce Expo 2025!

The graphic features a night view of the London skyline with the Houses of Parliament and Big Ben illuminated. A yellow brushstroke is visible in the top left and bottom right corners. The Experro logo (a blue bird icon) and the eCommerce Expo logo (a green and purple circular icon) are positioned at the top. The main text is centered and reads: 'Meet Experro at eCommerce Expo 2025'. Below this, three icons (calendar, location pin, and building) precede the text: '24-25 SEP 2025', 'EXCEL LONDON', and 'BOOTH G51'.

 **BOOTH G51**

London, United Kingdom Feb 1, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Experro, the Gen AI-powered agentic experience eCommerce platform will showcase its innovations at the 'eCommerce Expo 2025' in London this September.

As one of the leading eCommerce Expo 2025 exhibitors, Experro will be at Booth G51, connecting with B2B and B2C eCommerce merchants exploring the next era of digital shopping.

eCommerce Expo London 2025: The UK's Biggest eCommerce Event

The UK's biggest eCommerce event returns this September with 200+ world-leading eCommerce solution providers. The eCommerce Expo London 2025 will bring together merchants, eCommerce leaders, and retailers of UK to discuss the future of digital shopping.

With the eCommerce Expo 2025 agenda focused on eCommerce innovation in the UK, Experro will highlight how its [Gen AI search capabilities](#) can power personalized product discovery and enhance customer journeys across digital storefronts, driving measurable impact on conversion rates.

Meet the Minds Behind Experro at Booth G51

At eCommerce Expo September 2025, Experro will spotlight features built for the modern omnichannel customer journey.

Behind every great platform is a team of visionaries and at eCommerce Expo London 2025, you'll get to meet them in person.

- **Jayesh Mori** will share how Experro's Gen AI-powered search and [conversational AI agent](#) allows for a quicker product discovery.
- **Pratyaksh Salvi** will walk you through real-world strategies for using Experro to unlock growth and customer loyalty. He will also throw light upon [merchant intelligence capabilities](#) of the platform that helps double fold conversions.
- **Melaney King** will offer guidance on scaling globally, with a focus on building B2C and [B2B enterprise level product discovery](#).

Each leader brings a unique perspective, giving you the chance to see not just what Experro does, but how it can directly accelerate your eCommerce journey.

Experro innovators will also showcase the beta-phase feature, i.e., 'Complete the Look' that auto-suggests styling tips to shoppers.

Why Stop by At Booth G51?

"Retailers and brands are no longer just seeking small improvements. They want transformative solutions shaping the next chapter of digital commerce."

"At eCommerce Expo London, we'll show exactly how Experro empowers the eCommerce community with its agentic innovation that is intelligent, scalable, and delightfully human!"

Jayesh Mori - CEO at Experro
