Viral Sermon Clip Addresses Why Public Mourning Feels Deeper Than Ever

David Diga Hernandez, founder of David Diga Hernandez Ministries and Encounter Church, spoke to this question during a church sermon on September 14, 2025, at Encounter Church in Round Rock, TX. His message, captured in a clip that has gone viral in just 19 hours, has generated 472k views, 1.8K comments, 700+ reposts, and nearly 2,500 shares on Instagram. Hernandez explains:

“I want to add some perspective as to why I believe many felt it in the way that they did. Because not only did you see a political assassination, there was spiritual significance to what took place. You witnessed the martyring of a brother in Christ and the Holy Spirit in you grieved because the Holy Spirit in you recognized the Holy Spirit in Charlie.”

His viral message provides the first spiritual explanation for a grief felt nationwide but not yet fully understood—and has sparked wide discussion and reflection beyond political or public divides.

Kirk’s memorial will take place on September 21, 2025, at State Farm Stadium in Arizona. David Diga Hernandez Ministries encourages ongoing prayer and reflection as the nation mourns a leader whose impact goes far beyond politics.
