

Dallas Family Medicine: A Comprehensive Healthcare Home for Families in Dallas, Texas

Dr. Worrell's Vision Comes to Life with Full-Service Medical Practice

Dallas, Texas Sep 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dallas Family Medicine, led by board-certified family physician and sleep medicine specialist, Dr. Worrell, is redefining the healthcare experience for families in the Dallas area. With a vision to create a welcoming environment that addresses the health needs of the entire family, Dr. Worrell has positioned Dallas Family Medicine as a full-service medical practice dedicated to providing quality care for patients of all ages.

At Dallas Family Medicine, patients can access a wide range of services, including pediatric checkups, allergy testing, sleep studies, and diabetes management. This comprehensive approach ensures that families receive the highest standard of care in one convenient location. Dr. Worrell believes that understanding the dynamics of an entire family allows him to deliver tailored healthcare solutions, focusing on preventative measures and conservative treatments before considering more invasive options.

Dr. Worrell's impressive academic background includes graduating with honors from The University of Texas at Austin and earning his Doctor of Osteopathic Medicine degree from the University of North Texas Health Sciences Center in Fort Worth, Texas. His commitment to the field is further exemplified by his board certification in family practice and osteopathic manipulative treatment through the American Osteopathic Board of Family Physicians (AOBFP).

In addition to his clinical practice, Dr. Worrell serves as an Associate Professor of Family Medicine, mentoring and educating the next generation of medical professionals. He has played a vital role in shaping the careers of numerous medical students, nurse practitioners, PA students, interns, and residents. His affiliations with the Medical City of Dallas and Texas Health Presbyterian Hospital of Dallas further enhance the quality of care he provides.

Dr. Worrell is an active member of several professional organizations, including the American Osteopathic Association, the Texas Osteopathic Medical Association, and the American College of Osteopathic Family Physicians. His dedication to family medicine has earned him prestigious recognitions such as the Patients' Choice Award in 2008 and the Compassionate Doctor Recognition in 2011.

As a family physician, Dr. Worrell understands the importance of being the first point of contact for patients seeking healthcare services. His goal is to foster lasting relationships with families, ensuring they receive comprehensive care that addresses their unique needs. At Dallas Family Medicine, the focus is on health, compassion, and community, making it the ideal choice for families seeking quality healthcare in Dallas.
