

Dental Growth Summit 2025 – Hyderabad

Calling All BDS & MDS Students

Hyderabad, Telangana Sep 3, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Calling All BDS & MDS Students!

Dental Growth Summit 2025 – Hyderabad

Hyderabad is set to host the **Dental Growth Summit 2025** on **17th & 18th October** at **T-Hub**, offering BDS and MDS students an opportunity to learn what their textbooks don't teach.

The summit is India's premier platform where dentistry meets entrepreneurship, designed to equip young professionals with the skills and vision required to thrive in today's dynamic healthcare environment.

Key highlights include:

- **Practice Growth & Management:** Learn how to build, scale, and sustain a successful clinic.
- **Digital Branding & Patient Experience:** Master strategies that enhance credibility and patient trust.
- **Dental Tourism Insights:** Explore the ₹5,000 crore opportunity to attract global patients.
- **Innovation in Dentistry:** Discover AI, automation, and 3D printing trends shaping the future.
- **Business Expansion:** Gain knowledge in funding, franchising, and investment strategies.
- **Entrepreneurial Workshop:** Participate in an immersive, hands-on program led by Dr. Vikram Venkateswaran.
- **Dental Growth Awards:** Celebrate innovation and leadership in dentistry.

Organized by the **ZeebraCross**, renowned for high-impact industry events, the conference brings together students, practitioners, and leaders under one roof.

Final Call: BDS and MDS students are encouraged to attend with their college groups to prepare for careers that extend beyond clinical training—into entrepreneurship, leadership, and innovation.
