

Director Gas Expands Creative Work in Music and Visual Arts

Port Harcourt, Rivers Sep 20, 2025 ([Issuewire.com](https://www.issuewire.com)) - Nigerian creative professional **Babatunde Olajide**, widely known as **Director Gas**, continues to develop his career as a **music video director, photographer, web developer, and music executive**.

Director Gas has been active in Nigeria's entertainment and creative industries, where his work spans multiple disciplines. He has directed a variety of **music videos** and collaborated with both established and emerging artists. In addition to visual production, he is also involved in **artist management and**

executive roles, contributing to the growth of several upcoming talents.

Over the years, Director Gas has worked with artists such as **DV Kath, UK-based artist Yung Marv, Wayinmi, Jay Gold, Izzyboi, Pblingz, Blockboi, Mike C, and Eilfrosh**, among others. His portfolio includes projects across different music genres, reflecting the diversity of Nigeria's evolving soundscape.

In parallel with his work in the entertainment industry, Director Gas has a background in **web development and photography**, which informs his approach to creative production. This multidisciplinary expertise positions him within the growing intersection of technology, music, and visual storytelling.

Director Gas remains active in the Nigerian music industry, with ongoing projects that highlight the role of independent directors and executives in shaping the future of African music and visual culture.
