

Dr. Paul Rein, DO, Celebrated for Over Four Decades of Excellence in Anesthesia Care

Veteran Anesthesiologist Recognized for Commitment to Patient Safety, Education, and Advocacy in Virginia

Williamsburg, Virginia Sep 25, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Paul Rein, DO, a seasoned anesthesiologist with more than 40 years of experience, continues to make significant contributions to the field of anesthesia in Virginia. Currently affiliated with Sentara Williamsburg Regional Medical Center, Dr. Rein is renowned for his expertise in general anesthesia, sedation, and regional anesthesia techniques, ensuring patient safety and comfort during surgical procedures.

Dr. Rein earned his Doctor of Osteopathic Medicine degree from Des Moines University College of Osteopathic Medicine and Surgery in 1972. He completed his internship at Botsford Hospital in 1973 and his residency in anesthesiology at the Medical College of Virginia in 1981. Board-certified by the American Board of Anesthesiology, he holds a Certified Lifetime designation, reflecting his commitment to lifelong learning and adherence to the highest standards of patient care.

Beyond his clinical practice, Dr. Rein is deeply involved in medical education. He serves as an adjunct professor in the College of William & Mary's kinesiology and health sciences department, teaching an introduction to clinical practice course for undergraduate seniors and juniors interested in healthcare careers. His dedication to mentoring the next generation of healthcare professionals underscores his commitment to the advancement of the medical field.

Dr. Rein's leadership extends to advocacy within the anesthesiology community. He has been actively involved in various anesthesia issues at the local, state, and national levels, tackling politically sensitive topics to promote patient safety and the integrity of the profession. In recognition of his contributions, he was honored with the Lifetime Achievement Award by the Virginia Society of Anesthesiologists in 2020.

Residing in Williamsburg, Virginia, Dr. Rein remains a respected figure in the medical community. His extensive experience, dedication to patient care, and commitment to medical education and advocacy continue to inspire colleagues and students alike. Dr. Rein's enduring impact on the field of anesthesiology exemplifies a career devoted to excellence and service.
