

Dr. Scott D. Hodges, DO, Introduces Advanced Spine Care Options in Chattanooga

Experienced Orthopedic Surgeon Expands Access to Specialized Spine Treatment and Minimally Invasive Procedures

Chattanooga, Tennessee Sep 29, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Scott D. Hodges, DO, a board-

certified orthopedic spine surgeon with more than 30 years of clinical experience, is expanding access to advanced spinal care in the Chattanooga area through his practice at Spine Motion Specialists. Dedicated to treating both routine and complex spinal conditions, Dr. Hodges provides comprehensive care for degenerative disorders, traumatic injuries, deformities, and reconstructive needs, offering both surgical and non-surgical solutions tailored to each patient's unique case.

Dr. Hodges earned his Doctor of Osteopathic Medicine degree from the Kansas City University in 1983. He completed an orthopedic surgery residency at Ohio University/Doctors Hospital in 1988. After serving in the US Air Force, he then completed a spine fellowship at Loyola University/Hinsdale Spine Fellowship in Chicago, IL. He has since established himself as a trusted leader in spine health. His areas of expertise include herniated discs, spinal stenosis, instability, deformities, and other complex spine disorders. Patients benefit from his skill in minimally invasive techniques, as well as his commitment to preserving spinal motion whenever possible to improve recovery and long-term outcomes.

At Spine Motion Specialists, Dr. Hodges integrates innovative techniques and state-of-the-art technology into every aspect of care. His approach combines proven clinical practices with the latest advancements in spinal surgery, ensuring that patients receive treatment designed to relieve pain, restore mobility, and improve quality of life. His patient-centered philosophy prioritizes education, comfort, and individualized treatment planning.

Dr. Hodges also maintains affiliations with leading hospitals in the Chattanooga region, including Memorial Health Care System and The Spine Motion Institute at Rhea Medical Center. These partnerships allow him to provide continuity of care across multiple settings, ensuring that patients have access to the most comprehensive spine services available. He welcomes new patients and accepts a variety of insurance plans, making his expertise accessible to the broader community.

Through his leadership at Spine Motion Specialists, Dr. Scott D. Hodges continues to redefine spine care in Chattanooga. With a reputation built on innovation, compassion, and surgical excellence, he remains committed to helping patients overcome spinal challenges, achieve mobility, and live healthier, more active lives.
