

Dr. Shayan Khorsandi, MD, FACOG, Elevates Women's Health Care in Puerto Rico

Founder of Pelvic Solution Institute Offers Specialized Urogynecological Services with a Compassionate Approach

Arroyo, Guayama Sep 25, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Shayan Khorsandi, MD, FACOG, a board-certified obstetrician and urogynecologist, is transforming women's health care in Puerto Rico through his leadership at the Pelvic Solution Institute. Located in Vega Baja, the institute focuses on diagnosing and treating pelvic floor disorders such as urinary and fecal incontinence, pelvic organ prolapse, and bladder dysfunction. Dr. Khorsandi's patient-centered approach emphasizes education and destigmatization of these conditions, aiming to improve the quality of life for women of all ages.

Dr. Khorsandi earned his medical degree from Ponce Health Sciences University in 2014 and completed his residency in obstetrics and gynecology at Cooper University Health Care in Camden, New Jersey. He further specialized by completing a fellowship in urogynecology and pelvic reconstructive surgery at Stanford University Hospital. His extensive training equips him to offer advanced, minimally invasive treatments tailored to each patient's needs.

At the Pelvic Solution Institute, Dr. Khorsandi collaborates with a multidisciplinary team to provide comprehensive care. The institute is expanding its services to include specialists in various health fields, ensuring that patients receive personalized and advanced treatment options. This holistic approach reflects Dr. Khorsandi's commitment to addressing the complex health issues women face.

In addition to his clinical work, Dr. Khorsandi is dedicated to medical education and research. He has co-authored peer-reviewed articles on topics such as racial and ethnic disparities in female pelvic floor disorders, contributing to the advancement of knowledge in his field. His research underscores his commitment to improving patient outcomes through evidence-based practices.

Since returning to Puerto Rico in 2023, Dr. Khorsandi has been instrumental in bringing advanced urogynecological care to his community. His dedication to patient care, education, and research continues to make a significant impact on women's health in Puerto Rico.
