

Dreams, Music, and the Tarot Unite in Dr. Curtiss Hoffman's Groundbreaking New Book *The Musical Dream Tarot*

New Haven, Connecticut Sep 5, 2025 (Issuewire.com) - **Books to Life Marketing** proudly announces the release of **Dr. Curtiss Hoffman's *The Musical Dream Tarot***, a unique fusion of dream-

inspired musical composition, Tarot symbolism, and esoteric wisdom. This one-of-a-kind work bridges music, dreams, and the archetypal imagery of the Tarot to offer readers and listeners a new path toward insight, healing, and creative inspiration.

“The Musical Dream Tarot is a unique synthesis of the author's dreaming, musical compositions, and elements of the Ageless Wisdom embedded in the Tarot.”

— *Dr. Curtiss Hoffman*

A Remarkable Creative Journey

Over the course of nineteen months, Dr. Hoffman received hundreds of dream-inspired musical compositions corresponding to the 78 Keys of the Tarot. Drawing on his deep background in classical music, anthropology, mythology, and esoterica, he interwove these dream compositions with archetypes from the **Pholarcos Tarot** deck by artist Carmen Sorrenti.

The result is a rich tapestry of sound, symbol, and scholarship. The Tarot images and their corresponding music are available for direct experience at www.musicaldreamtarot.com.
