

Elate Orthodontics Expands Access to Affordable Orthodontic Care in Frisco, The Colony, and Prosper

Frisco, Texas Sep 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Elate Orthodontics Expands Convenient Care Along FM 423 in Frisco and Prosper

Elate Orthodontics, a leading provider of family-focused orthodontic care, continues to expand access for patients across North Texas with two highly accessible offices located directly along **FM 423 in Frisco and Prosper**. For families searching for a *Frisco orthodontist* or *Prosper orthodontist near me*, the practice combines modern technology, compassionate care, and a proven track record of excellent outcomes.

Accessible Locations for Families

Elate Orthodontics operates three convenient clinics:

- [Frisco Office](#) – Located at **FM 423 and Lebanon Road**, next to the UPS Store.
- [Prosper Office](#) – Positioned on **Highway 380 across from Cook Children's Medical Center**,

with easy 423 access.

- [The Colony Office](#) – At **121 and 423**, near Ross.

By aligning locations with major thoroughfares, Elate Orthodontics makes it easier for families balancing school, work, and activities to receive care without long commutes.

Comprehensive Orthodontic Services

The practice offers a full range of orthodontic solutions for children, teens, and adults, including:

- **Traditional braces** for dependable results in complex cases.
- **Clear braces** for a discreet esthetic alternative.
- **Invisalign and [Angel Aligners](#)** for comfortable, removable treatment.
- **Early orthodontic care** for children, including expanders and growth monitoring.

Patient Experience First

Patients describe Elate Orthodontics as efficient, friendly, and family-oriented. Appointments run on time, treatment often finishes earlier than expected, and the team is known for remembering patients by name.

One parent shared in a recent testimonial:

“We looked for a Prosper orthodontist near us and found Elate. From the first visit, the doctors explained everything clearly. My daughter’s braces came off months earlier than we expected, and the whole process was stress-free.”

Dr. Kevin Baharvand explains:

“Families want more than straight teeth — they want a positive experience. We designed our offices and workflows so patients feel cared for, respected, and valued every step of the way.”

Community Commitment

Beyond orthodontics, Elate is deeply engaged with the local community, supporting schools, PTAs, and youth programs throughout Frisco, Prosper, and The Colony. These partnerships reinforce the practice’s reputation as both a healthcare provider and a neighbor invested in the future of local families.
