EXS Design Celebrates 5 Years of Design Excellence in Dubai

Sharjah, United Arab Emirates Nov 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - EXS Design, an award-winning architecture and interior design consultancy, marks five years of delivering exceptional design solutions in Dubai. Founded by Piyusha Bokil, a RIBA Chartered Architect and Dubai Municipality Accredited Architect, EXS Design has become synonymous with strategy-led, design-driven environments that elevate brands and empower people.

Over the past five years, EXS Design has undertaken a diverse range of projects across commercial, residential, F&B, wellness, and retail sectors. Their portfolio includes transforming workspaces such as the LMI Innovation Hub, developing culturally inspired F&B outlets like Malgudi in Dubai, and designing integrated architecture, interiors, and landscape projects including villas and townhouses in the UAE.

EXS Design emphasizes a philosophy of **Context, Clarity, and Creativity**, ensuring each project is culturally sensitive, functionally efficient, and aesthetically innovative. The consultancy integrates architecture, interior design, and landscape expertise to deliver seamless, high-quality results. With a 95% success rate in fast design approvals, EXS Design streamlines project delivery while maintaining precision and creativity.

“Whether it’s luxury interiors, cutting-edge commercial environments, bespoke designs, or transformative residential projects, we create spaces that make a statement and elevate your brand,” said Piyusha Bokil, founder of EXS Design.

Some notable projects include the upcoming VOLA outlet in Ibn Battuta Mall, the headquarters for GMI in Kezad, Abu Dhabi, and Masaar townhouses interiors and landscape design by developer Arada. EXS Design has consistently delivered innovative, scalable, and adaptable design solutions, combining strategy, storytelling, and creativity to meet client objectives.

In recognition of their exceptional work, EXS Design has been featured in leading architecture and interior design publications and has earned multiple industry awards. The firm continues to uphold best industry practices, offering design management and coaching services to nurture emerging design talent.
