

FondosTech Unveils Fintech-Powered Insurance Platform to Drive Digital Inclusion and Support India's 2047 Vision

FondosTech strengthens its position as a leading Insurtech innovator, offering API-first solutions for insurance distribution, claims automation, and compliance tailored for brokers, IMFs, corporate agents, and web aggregators.

New Delhi, Delhi Sep 13, 2025 ([IssueWire.com](https://www.IssueWire.com)) - FondosTech, a fast-growing player in the Insurtech landscape, today announced the expansion of its comprehensive [digital insurance distribution platform](#). Built for a digital-first ecosystem, the platform empowers brokers, IMFs, corporate agents, and web

aggregators with end-to-end technology capabilities—combining AI, API integration, and deep analytics to streamline operations and accelerate growth.

FondosTech's platform addresses persistent industry pain points such as fragmented workflows, data silos, and compliance hurdles. Its unified, API-first infrastructure seamlessly connects intermediaries with insurers and regulators, enabling faster policy issuance, transparent servicing, and frictionless compliance.

*"Our goal is to bridge the technology gap in insurance distribution with a true Insurtech operating system," said **Jitendra Girdhar, Founder & CEO, FondosTech**. "With our platform, distributors can scale rapidly, customers benefit from a smoother experience, and compliance becomes an integrated process—not an afterthought. We are proud to contribute to IRDAI's vision of 'Insurance for All by 2047' by making insurance accessible and expanding its reach—'Bima Sugam' leading to 'Bima Vistar'—critical steps toward building a Viksit Bharat."*

Key Capabilities of FondosTech's Insurtech Platform

- **Digital Sales & Onboarding** – Proposal validation, multi-quote comparison, incentive tracking, and integrated CRM tools.
- **Post-Sales Management** – Centralized policy repository, automated renewals, payout reconciliation, and communication workflows.
- **Claims Automation** – End-to-end digital claims processing with fraud detection and faster resolution through smart workflows.
- **API Integrations & Data Lake** – Seamless connections with insurers and regulators; powerful analytics and reporting for MIS and compliance.
- **Employee Benefits & Advisory Tools** – Support for Group Mediciam, GPA, GTLI, and advisory services to enhance employer and distributor offerings.

By fusing the scalability of fintech with the specialization of Insurtech, FondosTech is redefining how insurance products are distributed, serviced, and scaled—positioning itself as a key enabler in the digital transformation of India's insurance ecosystem.

About FondosTech

[FondosTech](#) is a next-generation Insurtech company delivering API-driven platforms for digital insurance distribution. Trusted by brokers, IMFs, corporate agents, web aggregators, and digital-first insurers, FondosTech offers an integrated suite of solutions covering sales, servicing, claims, compliance, and analytics. With 30+ insurer and regulator integrations and a compliance-first architecture, FondosTech helps intermediaries achieve digital scalability and customer-centric growth.
