Don't Fly Today:
When God Speaks- Listen!
Warning to Atheists- God does exist!
by
DAVID O. SCHEIDING

Does God really exist? If he does, why does he let bad things happen to good people? Is the Bible fiction or nonfiction? After a twenty-five-year military career and eighteen years of running his own businesses, the author became concerned about what he observed happening to the American society and the direction that the country appears to be heading. *Don't Fly Today* provides the author's perspective while answering the above questions and concerns. The author does this by analyzing the path of his life and has compiled very compelling empirical evidence that his life had to have been guided by a higher power. The author then discusses the Bible prophecies as he addresses his concerns about the United States and its future. The author does this by analyzing what has changed during the time period when our government leaders were from the "greatest generation" to the present time when our leaders come from the baby boomers and the following generations. If you or if you have heard any of your friends or others ask any of the above questions or express similar concerns, then *Don't Fly Today* is an extremely compelling story and a must-read.

Colonel David O. Scheiding is a retired USAF officer, fighter pilot, and Vietnam vet who served his country for twenty-five years. He is also a Texas-licensed professional engineer (PE) who founded and ran his own environmental consulting firm for eighteen years. David and Jan, his wife of sixty-two years, reside in San Antonio, Texas.

COL DAVID O. SCHEIDING USAF

Colonel David O. Scheiding is a retired USAF officer, fighter pilot, Vietnam vet who served his country for twenty-five years. He is also a Texas-licensed professional engineer (PE) who founded and ran his own environmental consulting firm for eighteen years. David and Jan, his wife of sixty-two years, reside in San Antonio, Texas.

Canoga Park, California Sep 13, 2025 (Issuewire.com) - Colonel David O. Scheiding's powerful memoir, ***Don't Fly Today: When God Speaks- Listen! Warning to Atheists- God does exist!***, is a compelling story that challenges the very nature of belief. From the adrenaline-fueled skies of Vietnam to the quiet reflections of a successful civilian life, Scheiding's narrative is a testament to the unexpected

ways in which faith can shape a person's destiny.

The book begins with a moment of high-stakes drama in 1972. A decorated U.S. Air Force pilot and forward air controller, Scheiding is on a Vietnamese airfield, ready for a combat mission. But then, an unmistakable, authoritative voice tells him, "**Don't fly today.**" He listens, and in doing so, he believes he saves his own life. This singular event serves as the cornerstone of the entire memoir, providing an irrefutable anchor for Scheiding's belief in divine intervention.

However, this isn't just a story about one miraculous day. Scheiding takes readers on a journey through his entire life, revealing a pattern of spiritual encounters and guidance. He reflects on his early years, his time serving in combat, and his later career in environmental engineering, consistently pointing to what he sees as "**divine fingerprints**" on every major event.

Scheiding directly confronts skepticism, presenting his life experiences as tangible proof of God's existence. He boldly challenges atheists and agnostics to consider the possibility that a higher power is actively involved in our world. The book is not merely a personal testimony; it's an urgent plea for readers to open their minds and hearts to the spiritual forces that, according to Scheiding, are shaping our lives and our world.

Ultimately, **Don't Fly Today** is a spiritual roadmap that blends personal triumphs with prophetic insights. It's an unflinching look at the power of faith and the profound impact of listening when God speaks. Scheiding's story is an inspiring call to action for a world he believes is in moral crisis, offering his own life as a compelling example of what happens when you heed the whisper of a higher power.

The book Don't Fly Today: When God Speaks-Listen!: Warning to Atheists-God does exist! is available on online bookstores and other outlets like [Amazon](#), [Barnes & Noble](#), and more. Grab your copies now!
