

From New York to Sarasota: Jess Domain Debuts The Silver Thread Exhibition at Art Ovation Hotel

Multidisciplinary artist unveils large-scale mixed media works and Sarasota-inspired photography at Art Ovation Hotel, October 14–20, 2025 — with a portion of proceeds supporting Ringling College of Art and Design.

Sarasota, Florida Oct 1, 2025 ([IssueWire.com](https://www.issuewire.com)) - New York-based multidisciplinary artist [Jess Domain](#) returns to Sarasota to debut her latest exhibition, [The Silver Thread](#), at [Art Ovation Hotel](#), a property celebrated for its commitment to contemporary art and community engagement. The exhibition will be on view **October 14–20, 2025**, in the heart of downtown Sarasota.

The Silver Thread weaves through this collection as both a material and a metaphor. Silver leaf glimmers across the work, symbolizing the hidden treasures woven into everyday life — the interplay of shadow and light, the tension between restriction and freedom, the balance of giving and taking. These pieces act as mirrors, offering fragments of the shared human experience.

The exhibition features large-scale mixed media canvases and a limited series of Sarasota-inspired photographs, each layered with depth, texture, and energy that shifts from playful to intense to contemplative — inviting viewers to see something new with every glance as the light changes. Together, the works encourage viewers to look closer, to find connection in contrasts, and to follow the subtle thread that connects us all.

About Art Ovation Hotel

Unlike any other property in the region, [Art Ovation Hotel](#) is a canvas for unforgettable experiences rooted in Sarasota's vibrant art scene. The hotel engages deeply with the artists it hosts, providing rotating gallery exhibitions, an Art Studio where creators interact directly with guests, and an atmosphere that blends luxury with cultural immersion. For art lovers, it is both a destination and a hub of creativity. In addition, 15% of all exhibition sales are donated to [Ringling College of Art and Design](#), reinforcing the hotel's commitment to nurturing the next generation of artists.

"We're thrilled to host Jess Domain's *The Silver Thread*," says **Robyn Holl, Cultural Curator at Art Ovation Hotel**. "Her work reflects both Sarasota's light and its creative energy, making it an ideal fit for our mission to spotlight innovative contemporary art."

"Living in Sarasota gave me a different rhythm," Jess shares. "The light here is so distinct — it reflects on water, architecture, and people in ways that are entirely its own. That experience reshaped how I see and create. This exhibition is both a return and a celebration of the inspiration Sarasota has given me."

Jess is no stranger to high-profile showcases. Her work debuted at New York Fashion Week in February 2022, presented on the red carpet by Art Hearts Fashion and Six Summit Gallery at the historic Ziegfeld Ballroom in Manhattan. With *The Silver Thread*, she now brings that same bold spirit to Sarasota, connecting her New York practice with the Gulf Coast's thriving art scene.
