

From the Ground Up Landscaping Expands Sport Court & Artificial Grass Services Across Central Florida's Communities

Luxury Courts and Turf in Premier Communities Across Central Florida

Oviedo, Florida Sep 5, 2025 ([Issuewire.com](https://www.issuewire.com)) - As Central Florida homeowners, schools, and businesses continue to invest in luxury outdoor living and low-maintenance landscaping, From the Ground Up Landscaping Inc is proud to announce the expansion of its sport court construction and artificial grass installation services throughout Seminole, Orange, Brevard, Volusia, and Osceola counties.

The company now brings premium synthetic turf systems and custom-designed sport courts to some of the region's most prestigious communities, including Heathrow, Longwood, Alaqua Lakes, and Lake Mary in Seminole County; Winter Park, Baldwin Park, Isleworth, Dr. Phillips, Windermere, and Lake Nona in Orange County; Viera, Merritt Island, Suntree, and Melbourne Beach in Brevard County; Port Orange, Ormond Beach, and New Smyrna Beach in Volusia County; and Celebration and St. Cloud in Osceola County.

“Our clients in Central Florida’s most exclusive neighborhoods are looking for outdoor solutions that combine beauty, performance, and longevity,” said Marc Rose, Owner of From the Ground Up Landscaping Inc. “Whether it’s a backyard pickleball court, a luxury artificial grass lawn, or a commercial project for a school or municipality, our team delivers results that elevate outdoor living.”

Elevated Services for Residential & Commercial Projects

- Custom Sport Courts – Tailored basketball, tennis, pickleball, and multi-sport courts designed for both residential and community use.
- Premium Artificial Grass – Low-maintenance turf ideal for private lawns, rooftops, playgrounds, putting greens and pet-friendly areas.
- Commercial & Municipal Installations – Synthetic turf and court systems for schools, office parks, retail centers, and public recreation spaces.
- Eco-Friendly Landscaping – Water-saving, sustainable turf systems built to withstand Florida’s unique climate.

From the Ground Up Landscaping uses premium-grade materials and a skilled in-house installation team to ensure each project meets the highest standards of durability and design. With Central Florida’s high demand for recreational amenities and the rising popularity of pickleball and multi-sport courts, the company is uniquely positioned to serve homeowners’ associations, developers, schools, and private homeowners seeking long-term value.

About From the Ground Up Landscaping

From the Ground Up Landscaping Inc is Central Florida’s trusted leader in artificial grass and custom sport court installations. Serving Seminole, Orange, Brevard, Volusia, and Osceola counties, the company specializes in transforming residential backyards, luxury estates, commercial properties, and municipal spaces into functional, high-performance, and visually stunning outdoor environments.
