

Heidi Joann Novak, APRN, CNP, HTP: Women's Health Nurse Practitioner at NorthPoint Health and Wellness Center

Championing Women's Health and Well-Being in North Minneapolis, Minnesota

Minneapolis, Minnesota Sep 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Heidi Joann Novak, APRN, CNP, HTP, an accomplished Advanced Practice Registered Nurse and Certified Nurse Practitioner, is making significant strides in women's health at NorthPoint Health and Wellness Center. Operating from the Main Campus in North Minneapolis, Heidi specializes in medical care, obstetrics, gynecology, and

comprehensive women's health services.

With a solid educational foundation from Minneapolis Community & Technical College and the University of Minnesota-Twin Cities, Heidi combines her extensive knowledge with a passion for empowering women in her community. Her commitment to providing holistic and compassionate care has made her a trusted figure for many patients seeking guidance and support throughout their healthcare journey.

Heidi's expertise in obstetrics and gynecology ensures that women receive personalized care tailored to their unique needs, from pregnancy to menopause. She strives to create a welcoming environment where patients can feel comfortable discussing their health concerns.

As a leader in the field, Heidi is dedicated to improving health outcomes for women in North Minneapolis and beyond. Her work at NorthPoint Health and Wellness Center reflects her commitment to accessible, quality healthcare for all women.
