

Hip-Hop Icon Doodlebug and 80 Empire Release “Deliveries” Music Video from Acclaimed Album A Galactic Love Supreme

“Deliveries” Brings the Collaborative Energy of Doodlebug, 80 Empire, and Shabazz Palaces to the Screen

Los Angeles, California Sep 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Doodlebug & 80 Empire Premiere “Deliveries” Music Video from A Galactic Love Supreme Arrival Scheduled for September 12, 2025 (Via Fat Beats Records)

Toronto / Los Angeles, September 12, 2025 Critically acclaimed hip-hop artisan Doodlebug (of the legendary Digable Planets) and the famed artist/production duo 80 Empire are pleased to announce the upcoming release of the official music video for “Deliveries,” a standout track from their genre-defying 2025 album A Galactic Love Supreme.

Released in March 2025 via Fat Beats Records, the album has already captivated listeners with its rich fusion of boom-bap hip-hop, luminous soul, and subtle jazz inflections. Featuring an impressive roster of collaborators including Michole White, Shabazz Palaces,, Bone Crusher, KXNG Crooked, and more, the project has been hailed as one of the year’s most innovative and original works.

The track “Deliveries,” featuring the enigmatic Shabazz Palaces, stands as a lyrical and rhythmic highlight, weaving intricate storytelling with seamless production.

Premiere Details

Music Video Premiere: “Deliveries”

Release Date: September 12, 2025

Presented with a creatively arresting narrative, “Deliveries” is more than a song or just a music video, it’s a rhythmic visual delivery service. With Doodlebug behind the wheel, the collaborators take us from the gritty hum of a distribution center to the vibrant bustle of storefronts and the pulse of the street. It’s about moving music’s goodness out into the world—literally feeding ears and hearts: distributing sound, delivering soul, and serving up music that resonates.

“We can’t wait for audiences to experience it on September 12.”

About A Galactic Love Supreme

This 11-track opus defies easy categorization, merging analog warmth with modern dynamics.

Recorded over time through creative collaboration and synergy, it reflects Doodlebug’s evolution since his work with Digable Planets and showcases 80 Empire’s versatility in their boom-bap production style. From infectious hooks to socially conscious commentary, the album spans a universe of moods and influences.

Why September 12 Matters

Mark your calendars: the Deliveries video drops September 12, 2025, expanding the album’s universe with visual storytelling that’s as entertaining and immersive as the music itself.
