Ningbo, Zhejiang Sep 8, 2025 (Issuewire.com) - Ningbo Develo Precision Mac Co., Ltd., a leading innovator in weighing solutions, is proud to announce the launch of its latest product, the HS-K [Kitchen Scales](#). Designed to meet the needs of both professional chefs and home cooks, this digital kitchen scale combines high precision, user-friendly features, and durability.

Unmatched Precision and Versatility

The HS-K Kitchen Scales are equipped with a high-precision strain gauge sensor, ensuring accurate measurements for a wide range of ingredients. With capacities ranging from 600g to 5kg, these scales are ideal for various culinary applications, from baking to portion control.

User-Friendly Design

Featuring a large LCD with a white backlight, the HS-K scales provide clear readings even in low-light conditions. The four-key interface allows for easy operation, and the unit can switch between kilograms, grams, pounds, and ounces, catering to diverse measurement preferences.

Durable and Energy-Efficient

The weighing pan is constructed from a combination of stainless steel and plastic, offering both durability and ease of cleaning. The scales are powered by four 1.5V AA batteries, with an AC adapter option available. An auto-off feature conserves battery life by turning off the scale after 60 seconds of inactivity.

Commitment to Quality

As a company dedicated to precision and quality, Ningbo Develo Precision Mac Co., Ltd. ensures that each HS-K [Kitchen Scale](#) undergoes rigorous testing to meet international standards. The scales are CE certified, reflecting the company's commitment to delivering reliable and safe products to its customers.

About Ningbo Develo Precision Mac Co., Ltd.

[Ningbo Develo Precision Mac Co., Ltd.](#) is a leading manufacturer specializing in high-precision weighing instruments. With a focus on innovation and quality, the company offers a wide range of products, including counting scales, price computing scales, and precision balances, serving customers worldwide.
