

ID Smart Cards Creations Pvt Ltd Revolutionizes Secure Identity Solutions with Advanced Smart Card Technologies

Bengaluru, Karnataka Jan 2, 2026 ([Issuewire.com](https://www.issuewire.com)) - ID Smart Cards Creations Pvt Ltd Revolutionizes Secure Identity Solutions with Advanced Smart Card Technologies

ID Smart Cards Creations Pvt Ltd, a leading innovator with over twenty years of expertise in smart card production, is setting new benchmarks in digital identity and secure transactions with its state-of-the-art smart card and e-passport solutions.

As a trusted partner for organizations worldwide, **ID Smart Cards Creations Pvt Ltd** is committed to delivering cutting-edge products that empower businesses and transform everyday life. The company specializes in electronic passport inlays, or e-passports, equipped with advanced biometrics and tamper-resistant security features, fully compliant with ICAO standards. These solutions significantly enhance global travel security and streamline border management, ensuring safer and more efficient journeys for travelers.

ID Smart Cards Creations Pvt Ltd's manufacturing facility boasts robust capabilities, including:

- 48 million dual interface inlays and 30 million contact smart cards produced annually
- 15 million contactless smart cards and 3 million e-passport inlays per year
- Advanced card body personalization with a yearly capacity of 30 million units

The company's growth trajectory reflects continuous investment in technology and innovation. Key milestones include developing in-house manual and automated production systems, launching

contactless manufacturing, and securing major government and private sector projects in India and beyond.

Clients consistently praise **ID Smart Cards Creations Pvt Ltd** for its reliability, prompt delivery, and commitment to quality, with many maintaining long-term partnerships exceeding a decade.

"As our clients' needs evolve in the digital era, ID Smart Cards Creations Pvt Ltd remains dedicated to enhancing identity security and delivering trusted solutions globally," said a spokesperson for **ID Smart Cards Creations Pvt Ltd**.
