

## Johnni.ai Launches Next-Generation AI Appointment Setters in Australia

Johnni.ai, Australia's leading AI voice receptionist platform, has announced the launch of its new AI Appointment Setter service, designed to transform how businesses capture, qualify, and book leads.

**Adelaide , South Australia Sep 1, 2025 ([Issuewire.com](https://www.issuewire.com))** - Johnni.ai, Australia's leading AI voice receptionist platform, has announced the launch of its new AI Appointment Setter service, designed to transform how businesses capture, qualify, and book leads.

Built on advanced conversational AI and refined with over 100,000 tested prompt workflows, Johnni.ai's Appointment Setters ensure that no enquiry is ever missed. From instant follow-up calls on website or ad leads, to re-activating past customers, to managing re-bookings and reminders, the new solution gives businesses a faster, more reliable way to fill their calendars.

"Too many businesses lose revenue simply because they don't follow up fast enough," said Paul Kidis, Co-Founder of Johnni.ai. "Our AI Appointment Setters call leads within minutes, speak naturally in an Australian voice, and lock in appointments directly into the business's calendar. It's like having a full-time sales assistant working 24/7."

**Key Features:**

**Instant Lead Follow-Up** – AI calls new leads within minutes of form submissions or ad enquiries.

**Seamless Calendar Integration** – Syncs with Google Calendar, Outlook, and leading CRMs.

**Re-Activation Campaigns** – Outbound AI campaigns to reconnect with past or inactive clients.

**Expert Australian Voices** – Professional, natural-sounding conversations that build trust.

**Who Benefits:**

The AI Appointment Setter is ideal for trades, real estate, professional services, and any business where missed calls or slow follow-ups cost sales.

Early trials have shown remarkable results, with businesses increasing their booking rates and cutting follow-up times from hours to seconds.

"We built this to help Aussie businesses stop bleeding leads," Kidis added. "With AI Appointment Setters, every lead is nurtured and every booking opportunity is maximised."

**Availability:**

The Johnni.ai AI Appointment Setter is available today across Australia.
