

Jolynn Coombes, RN, Brings Over 30 Years of Nursing Expertise to Belton, Texas

Experienced Case Manager Enhances Patient Care and Coordination in Central Texas

Belton, Texas Sep 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - Jolynn Coombes, RN, a seasoned healthcare professional with more than three decades of nursing experience, is making significant contributions to patient care and case management in Belton, Texas. Currently serving as a Registered Nurse at CertiSurv, LLC, Coombes brings a wealth of knowledge and a compassionate approach to her role, ensuring that patients receive the highest standard of care.

Throughout her extensive career, Coombes has held various positions that have honed her expertise in case management and patient coordination. Her previous roles include serving as a Care Plan Coordinator at Touchstone Communities, a Nurse III at the Texas Department of State Health Services, and an RN at Encompass Health. These experiences have equipped her with a comprehensive understanding of the healthcare system and the intricacies of patient management.

Coombes' educational background includes studies at Del Mar College and South University, where she developed a strong foundation in nursing and healthcare administration. Her commitment to continuous learning and professional development has been a driving force in her ability to adapt to the evolving healthcare landscape and provide exceptional care to her patients.

In addition to her clinical expertise, Coombes is known for her dedication to patient advocacy and her ability to collaborate effectively with multidisciplinary teams. Her approach to case management emphasizes personalized care plans that address the unique needs of each patient, promoting better health outcomes and patient satisfaction.

Residents of Belton and the surrounding areas benefit from Coombes's extensive experience and unwavering commitment to quality care. As she continues her work at CertiSurv, LLC, Coombes remains a valuable asset to the Central Texas healthcare community, exemplifying the highest standards of nursing practice and patient-centered care.
