Barcelona, Catalunya Sep 11, 2025 ([IssueWire.com](http://www.IssueWire.com)) - *Barcelona, Spain* – Internationally recognized singer-songwriter **Juan El Grande**, beloved for original works like “*Another Hero’s Gone*”, “*Born to Be*”, and “*TIME, A Precious Thing*”, is set to surprise fans once again with his upcoming single — a stirring rendition of the classic “**Wayfaring Stranger**”.

By stepping into a new genre, El Grande continues his mission to keep audiences guessing, blending authenticity with artistic reinvention. His take on “*Wayfaring Stranger*” promises to be both familiar and fresh, honouring the song’s roots while infusing it with his signature sound.
