

Lil Smoke x Mirrors(Formaly Sadboi J) Launches Powerful 15-Track Album Broken Promises on SoundCloud

Memphis-based rapper delivers emotionally charged verses and dynamic collaborations in his most ambitious project to date By: The Gentlepeople's Circle

Memphis, Tennessee Sep 8, 2025 ([IssueWire.com](https://www.issuewire.com)) - Independent rapper and songwriter **lil smoke x mirrors**—formanly known as **Sadboi J** —has officially released his highly anticipated album, ***Broken Promises***, featuring 15 hard-hitting tracks now available on SoundCloud. The record showcases a bold blend of lyrical strength and diverse collaborations, illustrating his growing musical versatility while

connecting deeply with fans.

Broken Promises spans introspective reflections and high-energy tracks, offering listeners a vivid exploration of themes such as trust, resilience, ambition, and heartbreak. Each song is crafted with authenticity and emotional honesty, hallmarks of lil smoke x mirrors' reputation as a heartfelt storyteller.

"The writing process was inspiring," lil smoke x mirrors shares. "Some tracks were already inside me; others emerged from connection to the beat. This album features my strongest lyrics yet, enhanced by the voices of talented collaborators who brought fresh perspectives to each track."

Though the album is currently exclusive to SoundCloud, fans can also follow lil smoke x mirrors' BandLab page for upcoming releases: BandLab – sadboi_j1998. The album will soon be rolled out across all major platforms, making the full experience accessible to listeners everywhere.

With **Broken Promises**, lil smoke x mirrors solidifies his standing in the Tennessee hip-hop scene and beyond. His commitment to self-expression, collaboration, and emotional honesty positions him as a rising talent whose story is only beginning.
